Midweek MENU

*Chicken nuggets also available for kids

Bibleflix: The Bible is full of stories that are even more exciting than Netflix! They were written in the Bible so we could know God better and know how much he loves us as well as how we can

follow his plan for our own lives. Kids will learn how they can be part of God's awesome story. Wednesday nights starting January 9th for kids up to 5th grade!

Basically: This five-week series covers the basics of our faith. We'll take the facts of our faith, the basics

of what we believe, and present them as the grand narrative of Scripture. This series understands the basics of our faith as God's activity in the world and in us. Wednesday nights. For students in 6th-12th grade

Adult Power-up: All adults are invited to join us in the fellowship hall for a time of worship, prayer and bible study. This is a great mid-week boost! Join us!

Chili Cook Off and Silent Auction

Mark your calendars now! Our annual chili cook off and silent auction will be Saturday, March 16th!

Automated External Defibrillator (AED)

For several years there has been discussion about the church's need to have an AED, Freddie Wilson has done a lot of research and believe that we can obtain one for \$1,275. The cost of PFWC purchasing an AED is far outweighed by the cost of not purchasing one.

Answers In Genesis

Today we began Answers in Genesis. This exciting project will walk us together, as a church family, through the Bible! Join us next Sunday at 10 AM as we continue the journey! This is for all ages!
