30 Minute Ministries

Summer is almost over and we are looking forward to an exciting fall. We only have a few weeks to get ready. During the week there are 10,080 minutes, and we are asking if you would be willing to give just 30-60 minutes either one time or weekly in order to help be good stewards of what God has entrusted to us? Below is a list of areas. Will you please let Pastor Myron know what you can do?

30 minute ministry opportunities

- Till up around the perimeter of volleyball pit
- Sift rocks & weeds out of ½ of volleyball pit.
(This is in preparation of more sand that will be coming. Once finished we can begin scheduling some weekend volleyball action.)
- Eagle Scout Project – Help with building of observation deck or planting of shrubs on back hillside.
- Pick up trash along one side of road.
- Pick up trash along other side of road.
(We need to do this 3 – 4 times a year.)
- Paint hallway, in Family Center, by classrooms
- Replace light bulb above Gym door by playground
- Clean some outside windows around church.
- Clean some mini-blinds in facilities.
- Pick up rocks that have fallen from hillside
- Clean 1 bag of glass mason jars that are under trailer

60 minute ministry opportunities

- Paint one wall in Family Center (This will require several people to get it painted but it will get done.☺)
