Playground

Have you seen the improvements on the playground? Nathan Wheeler has completed his Eagle Scout Project! He took down the swing section of the play set, it was showing its age and several parents were uncomfortable, and replaced it with new boards. He also added a perimeter around the area and put in a bunch of new mulch. THANK YOU NATHAN WHEELER!

Now we need to power wash the older section and then stain all of it (before winter) then we will be in good shape. Will you be able to help with this project?

Men's Breakfast

Every Tuesday at 6:00 AM at the Bojangles on Brambleton. Come and join us!

Attention ALL Parents of Teens:

The long anticipated start of quiz season will commence this Wed night at 5:30pm. We will be meeting in the room opposite of the Kids Zone room (Myron's old office). This will be an introductory time so if parents or teens are interested please come by and see what is happening. This is such a dynamic ministry to disciple teens. Digging into God's word through Dr. Luke will be the focus this year. Quizzing is a sport and, as such, does require some dedication to practice and quiz meets. The kids learn God's word, but they learn team work and dedication, too. There is a place on the team for everyone. We travel and fellowship, learn to lean on each other when times are tough, as well as celebrate when we reach our goals. Please consider getting your teens involved.

Musicians Needed

As our church grows we would also like to grow our worship team. If you have been blessed musically and would like to join the worship team, see Pastor Darren or Karissa Richards for more information.

Epicenter Youth!

Today, immediately following the 11 o'clock service, there will be a luncheon for all epicenter youth and their parents!
